

A modern living room interior. On the left, a large flat-screen TV is mounted on a light-colored wall unit, displaying a colorful game or sports scene. Below the TV is a long, low console. To the left of the TV, a tall black vase holds several yellow lilies. The ceiling is white with a large, rectangular recessed area illuminated by purple LED lights. The floor is made of polished wood. In the center, a large window or glass door leads to a balcony with a metal railing. To the right, there is a dark leather sofa and a tall, dark shelving unit with glass doors. A coffee table with a patterned top is in front of the sofa. A watermark "MATEO" is visible in the center of the image.
