

A modern, minimalist bedroom interior. The room features a large bed with white linens and dark pillows, positioned in front of a wall with vertical wood slats. To the left is a walk-in closet with white shirts hanging on a rack. A glass display cabinet with various bottles stands next to the bed. The room is illuminated by warm, ambient lighting. Large floor-to-ceiling windows on the right side offer a panoramic view of a city skyline at dusk. A red armchair is visible in the foreground on the right.
